Wow! November already!! As we get busier, be sure to check our bulletin boards for up to the date information about all Compass Activities. We have a fun winter planned! Dave Slyter has returned as our Activities Coordinator and he is excited to be back running our activity program. If you have any suggestions regarding activities you can drop by the office or reach out to Dave via email at dslyter@suncommunities.com

The fence replacement is almost complete around the park. We thank you all for your patience while the construction was going on.

**COMPASS
RV RESORT OFFICE

Plates and silverware will be provided. Please BYOB

Light Up! Night is November 17, 2018. Nights of Lights runs nightly from Light Up! Night through February 3.

Nights of Lights – Celebrating 25 years in the 2018-2019 season. Nights of Lights holds the honor as one of the 10 Best Holiday Displays in The World by National Geographic. But,

this holiday tradition is so much more than millions of adorning lights filling the Old City. It is a community event that is only made possible by each participating business in Historic Downtown. Thousands of people gather downtown and enjoy the holiday display with their families and friends.

You will be able to purchase your tickets from our office. Please note that the trolley bus does not operate from Compass to downtown for nights of

lights. The OLD TOWN TROLLEY will still be running it's daily tours which will depart from our resort.
