VOLUME 3 ISSUE 2

FEBRUARY 2019

Rock Crusher Updates

February is an exciting month here at the resort! There is truly something going on for everyone.

Check out our bulletin boards and calendar for details on upcoming clubs and activities. We thank all the volunteers that help us offer a wide variety of things to do.

Please keep in mind we have a 10mph speed limit and you must have lights on golf carts and bikes after dark.

All vehicles must obey road rules at all times.

We will begin booking for next year beginning with those currently with us for a month longer. Please come pick up your request form for next year beginning February 4th at the office. Not here yet? Give us a call and we can help you out with the details.
