Rock Crusher Updates

Another winter season is drawing to a close. The staff at Rock Crusher would like to thank the many volunteers that run various activities and groups throughout the season.

A special thanks to those that organized, volunteered and participated in the First Annual Rock Crusher Cook Off. The Cook Off raised \$830 for the Citrus County Foundation for Animal Protection. What a huge success it was!

Another huge thank you to everyone that volunteered and participated in our Trick Tray fundraiser also to benefit the Citrus County Foundation. Our efforts raised over \$1400 for the organization! Our sewing group also got in on the act by making 30 mats for the dogs for their pet adoption days! All donations were delivered at our annual End of Season Party!

Please keep our 10 mph speed limit in mind when driving through the resort. We have children here, pets and people walking and bicycling and we want everyone to be safe.

When using the dumpsters, please remember to break down boxes before dumping them. If you find dumpsters are full, please remember we have four dumpsters on property for your convenience. If you need help finding them, please ask any staff member to show you on our map.
