May brings a few changes to Compass RV Resort. We have a newly remodeled bath-house at the Exit Gate. All of the renovations have been completed and the bath-house is fully operational.

We would like to remind everyone that all facilities here at Compass are open to everyone no matter which section of the park you are staying in. We have two laundry rooms, one at the exit gate and one in the Oasis. We have three bath houses, one at the Exit Gate, one at the Pond and one in the Oasis. We also have a great Gym facility located in the Oasis area that all guests 18 years of age and over are welcome to use.
