Rock Crusher Updates

This month is "Turn Up the Music" here at Rock Crusher. Join us as we celebrate music from the 50s, 60s, 70s, 80s, 90s and today. Look for special fun on our Facebook page with trivia and other challenges as the month progresses.

Please remember to adhere to the 10MPH speed limit when traveling within the resort. Golf carts must adhere to road rules as well and must be equipped with lights for night driving. All golf cart drivers must have a valid driver's license. Bikes must also follow the same rules including lights at night. Children 16 and under must wear a bike helmet per Florida State law. No golf carts or bikes are permitted on sidewalks, in buildings or in the pavilion.

Please be aware we are still in the midst of hurricane season. Resource information is posted in the clubhouse for your convenience. Please familiarize yourself with it and have a plan in the event of a mandatory evacuation. Our buildings are NOT approved shelters and in the event of an evacuation will be locked. Please check to see what shelter can accommodate your family and pets in the case of an emergency.

Our first campfire of the season is scheduled to take place on Friday, September 27 weather permitting. Please feel free to join us with your chairs and flashlights.
