

Thank you for choosing us as your vacation destination. We're excited to welcome you to our resort and look forward to enjoying a great season together. We want to take a moment to share important information with you about our commitment to cleanliness and safety, as well as guidance from the CDC and the local government.

## Connecticut Travel Health Form

To control the spread of COVID-19 in Connecticut, all travelers and Connecticut residents who have spent 24 hours or longer in one of the Affected States within 14 days prior to arriving in Connecticut and who are staying in Connecticut for more than 24 hours are required to (1) complete the "Connecticut Travel Health Form" and (2) self-quarantine for a period of 14 days from the time of last contact with such Affected State, for any portion of such 14 day period they spend in Connecticut, or for the duration of such travelers' stay in Connecticut, whichever is shorter, unless a traveler is exempt from the requirement to self-quarantine by virtue of an inability to self-quarantine coupled with a negative COVID-19 test result from the last 72 hours or by virtue of being an Essential Worker.

## Sun RV Resorts Health & Safety Protocols

At all Sun RV Resorts, we take standards for hygiene and cleanliness very seriously and have taken additional steps to ensure the safety of our guests, and team members.

- For the safety of our guests and team members, if you are feeling ill or have an elevated temperature please stay home.
- All individuals over the age of 5, including team members, residents and guests are required to wear a face covering while inside Sun's facilities. This requirement also extends to outdoor settings where individuals are within 6 ft./2m of one another.**
- Enhanced **cleaning and sanitization protocols** have been established with defined cycles and procedures for common areas, high-touch surfaces, vacation rentals, cottages, and cabins.
- There will be **Ongoing training** for team members as well as daily temperature checks prior to shift start.
- Information regarding recommended **handwashing procedures** will be posted in restrooms, breakrooms, offices, and common areas to increase awareness of simple prevention methods.
- EPA-registered disinfectant products** have been distributed to all locations.

## CDC Guidelines

- Avoid close contact and practice social distancing of at least 6 feet.
- Practice frequent hand washing or use of alcohol-based hand sanitizer.
- Cover your mouth and nose with a cloth face cover when around others.
- Do not gather in groups and stay out of crowded places and avoid mass gatherings.
