### Ways to Stay Safe

Let's keep our community safe by ensuring we practice the following:

1. Wearing your mask
2. Washing your hands before and after you eat
3. Sanitizing your hands frequently
4. Coughing and sneezing into your elbows
5. Social distancing by staying six feet apart
6. Staying home if you are not feeling well

We LOVE our residents! We appreciate your patience and compliance with all the changes this season. This season may be a little different, but we can ensure you it will be memorable. We are creating new ways to have fun and fellowship! Thank you to all our residents, we truly could not do it without you!

**SO LET'S PROTECT EACH OTHER AND STAY  
SAFE**
