

December 5, 2020

Dear Valued Sands RV & Golf Guests-

On December 3, 2020, Governor Newsom's Office and the California Department of Public Health issued a Regional Stay At Home Order restricting non-essential travel and short-term lodging operations. The Southern California Region, in which this resort is located, triggered the order to go into effect as of December 6, 2020.

Per this order, all Campgrounds may only accommodate Essential Workers, those who consider the property their primary residence, or stays longer than 14 days. Essential Workers are defined as "workers performing functions that are essential to maintain the continuity of operations for critical infrastructure." This order applies to tent camping, cabin camping, and recreational-vehicle camping.

If you do not fall into one of these categories defined by the State of California, we regret to inform you that we cannot accommodate you at our RV Resort at this time. We will be reaching out to you by phone as well. We hope to provide you the opportunity to stay with us in the future. If you have any questions prior to our team getting in touch with you, please feel free to call the resort office at (877) 426-5882

Thank you,

Management of The Sands RV & Golf Resort
