Site: «site»

Dear «name»,

We would like to take this opportunity to acknowledge the unprecedented events of yesterday.

There was a mass influx of unauthorized visitors to the resort. We understand that through the use of social media there was an organized plan by young adults to infiltrate the beaches of Sherkston Shores as well as other beaches and parks across the Niagara Region.

Numerous trespassing charges were laid and while we commend the efforts of our team to limit this unauthorized access, it is readily apparent that additional and more stringent measures are necessary to address this matter.

Today, our General Manager, Tony Breton, will be discussing the opportunity for additional measures with representatives from the City of Port Colborne, Niagara Regional Police and Sun Communities Executives.

As communicated previously, a permanent fence at the end of Elco Beach will be installed. We will also be installing a gate across the main entrance to the resort.

While additional staff were hired by Sherkston, and security coverage has been increased, it is apparent that additional resources are needed. In response, Sherkston Shores is currently engaging a private security company to provide extra resources. Furthermore, NRP paid duty officers will be present every weekend and holiday between now and Labour Day.

Effective immediately, there will be a limit of 8 individual visitors per site per day. Visitors must provide the owner's last name, site number and password, without exception. All visitors under the age of 18 must be accompanied by an adult. No walk-in visitors will be permitted and all visitors must check in at the main gate and will be provided with a wristband. Homeowners are required to have their picture pass with them at all times. Anyone found on the resort without a picture pass or wristband will be trespassed from the resort.

Please be advised that if you have visitors in your vehicle with you must check in at the gate by using either the center or right hand lane.

We have also made it easier to notify us of your private renters. Please [click here](#) (and bookmark the page!) to register your private rental guests. This must be done no less than 24 hours prior to their arrival and any guests arriving without registration will be denied entry to the resort. This form will be available on sherkstonowners.com under Forms and Documents, "Private Renter Registration".

In addition, all homeowners and RV Seasonal Guests are required to update their password immediately. We ask that you do so by replying to this notice. After 2 weeks we will no longer honour old passwords.

We hope that you can appreciate that these measures are for the benefit of all and we thank you your cooperation in advance.

Sincerely,

Sun RV Resorts and Sherkston Shores Team
