Resort Updates:

Keep Blueberry Hill

Beautiful

Each month one home will be selected
BEST YARD!

Only one winner per month. A different winner each
month for twelve months.

Yard of the Month candidates are judged solely on the
total exterior appearance of their property and front
yard as viewed from the street. General upkeep of the
yard and property is paramount.

Factors include the overall appearance, tidiness and
neatness of the front of the property as evidenced by
pruned, trimmed and shaped foliage, edge and defined
lawns, borders & flower beds, and a visually appealing
façade.

One residential yard will be selected each month.

The winner of the Yard of the Month will be provided
with a decorative yard sign for display indicating their
winning yard.
